ACKNOWLEDGEMENT

We would like to express our deep gratitude to our beloved Satguru Sri Mata Amritanandamayi Devi for providing the bright academic climate at this university, which has made this entire task possible. This acknowledgment is intended to thank all those people involved directly or indirectly with our project. We would like to thank the Board of Management for providing us with the necessary infrastructure required for the completion of the project. We express our thanks to Dr. Vidhya Balasubramanian, Principal, Amrita School of Computing, Dr. Bagavathi Sivakumar P, Chairperson, Department of Computer Science and Engineering and all the faculty members of the Department of Computer Science and Engineering for their valuable help and support during our study.

We wish to record our deep sense of gratitude and profound thanks to our research supervisor <Supervisor Name>, <Supervisor Designation>, Department of Computer Science and Engineering, Amrita School of Computing, Coimbatore, for his / her keen interest, inspiring guidance, constant encouragement with our work during all stages, to bring this project into fruition. We feel extremely grateful to <Panel members Name> for their feedback and encouragement which helped me to complete the project.

We would also like to thank the entire fraternity of the Department of Computer Science and Engineering. We would like to extend our sincere thanks to our family and friends for helping and motivating us during the project work. Last but not the least, we thank God for his blessings which made our project a success.
